

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

JENIFER ESHOM,

Plaintiff,

v.

KING COUNTY, a Washington
municipal corporation,

Defendant.

CASE NO. 23-cv-28

MINUTE ORDER

JOSEPH ESHOM,

Plaintiff,

v.

KING COUNTY, a Washington
municipal corporation,

Defendant.

CASE NO. 24-cv-7

The following Minute Order is made by direction of the Court, the Honorable
Jamal N. Whitehead, United States District Judge:

1 On February 7, 2024, the Court granted the parties' stipulated motion to
2 consolidate the matters captioned as *Jenifer Eshom v. King County*, No. 23-cv-28
3 and *Joseph Eshom v. King County*, No. 24-cv-7 for discovery purposes only. Through
4 a later-filed Joint Status Report, the parties requested a dual-captioned case and a
5 common cause number for the separate actions, but they maintain that the cases
6 should not be consolidated for all purposes at this time.

7 Accordingly, the case caption will be reformed as a dual-caption case
8 referring to both matters as shown above. Since it's the lower-numbered case,
9 *Jenifer Eshom's* case will constitute the main docket for filing any discovery related
10 motions. Because the cases are not consolidated for all purposes, the Court will not
11 issue a single cause number combining the dockets for both matters.

12 It is so ORDERED.

13 Dated this 24th day of May, 2024.
